Improved Data Reporting

Organizations are required to measure impact to demonstrate their need for support or grant programs in King County.

ORGANIZATION ANALYTICS

 32 people helped

Community of Hosts

Organizations can dynamically share housing resources across Seattle.

Hey API Chaya! I see you have space for a woman and child in the Central District ASAP.

Hey Mary's Place! I'll send you their sharespace listing.

Join your community to give back in a more meaningful way.
Let's help end the cycle of domestic violence together.
